ATTORNEY-CLIENT PRIVILEGED CONFIDENTIAL

Hi All,

Attached is the revised decision document that reflects the change in direction. I emailed the revised response to comments document on 10/18 and it is shown below as well. Both documents include numerous attachments, which I did not include. Please let me know if you would like to see any of the attachments.

[attachment "EPA Add Waters to Oregon 2010 303d List Decision Document 10-23-12.docx" deleted by Jamie Fowler/DC/USEPA/US]

When should we expect your review on both of these documents to be completed ?

Thanks for your support in this process. We truly value your guidance, comments and advice.

Cheers,

Jayne

Hi Heidi (and others),

I just received another call from OR DEQ on the status of our action on their 2010 303d List. When should we expect to receive HQ's comments? It sounded like from your email, we would receive comments either COB on Monday or early on Tuesday and it is now Wednesday.....

Cheers,

Jayne

Hi Chris,

What date are you thinking would be a good due date? When Eric sent his email on 9/14 in response to Dave's email of 9/11, he said you would be able to "start reviewing the information early next week and would not likely be ready for a discussion until mid- to late-week the following week." I interpreted this statement to mean you would be able to review the documents this week so I gave a due date of next Monday September 24 which is nearly two weeks.

Hi Jayne,

I just spoke with Heidi and Jamie and we are unable to speed up our review, due to a convergence of deadlines for some active litigation and briefings that we are involved in for management this and next week, combined with vacation schedules .

We are still on the schedule of getting you comments mid to late week, next week.

Thanks Dave. Schedules have been a challenge to organize here, given planned travel and upcoming litigation brief reviews and settlement discussions next week. As such, folks on the team here wont have an opportunity to start reviewing the information until early next week and would not likely be ready for a discussion until mid- to late-week the following week. Let me know if that is amenable on your end.
